## DISTRICT NEWS

### M.V.B.C. NEWS

(From Our Own Correspondent)

The Campus was again the scene of interesting events. On Friday afternoon Miss Dorothy Stauffer and Mr. Donald Suder were united in marriage. The bride is a graduate of the College and the groom spent last winter in school here. The reception was held in the dining hall of the school with some 120 guests seated. It was a happy occasion and the College extends to Mr. and Mrs. Suder their best wishes for a long and happy married life together.

On Saturday another reception was held in the dining hall. It was the occasion of the marriage of Marion Luft, whom we learned to know while she worked in Builders Hardware Store. We trust she and her husband will also have a most happy married life.

The men and women of the United Missionary Church have been busy for a number of days preparing the Campus for those who will be attending Camp Meeting, and the conference which precedes it. Among early comers are Rev. and Mrs. Chris Hedegaard, who have recently returned from Philadelphia where they attended a preparation school for work in Denmark. They expect to be leaving soon. Both Mr. and Mrs. Hedegaard are graduates of Mountain View.

The next two Sundays we will be having Sunday School at 9:30 on the camp grounds. This is a new venture, but we believe that people will want to attend a Sunday School of this kind and study the lesson with those from other parts of the conference. We hope the attendance will be large. Mr. Harold Oke, the local Sunday School superintendent will be in charge.

Today, Monday, the conference will convene in the church. Ministers from all fields will be here with their wives and will be billeted in the college. Mrs. Habermehl and Mrs. Neil B. Neufeld are the cooks for the conference and camp. We are fortunate in having such able help.

### ZELLA NEWS NOTES

(From Our Own Correspondent)

(Intended For Last Week.) Mr. and Mrs. Mainwold of Calgary were visitors at the home of Mr. and Mrs. E. Lowrie on Thursday and Friday of last week.

Ronnie Toppin was most unfortunate in cutting the larger tendons in his big toe with an axe and will be hospitalized for some time. A summer fallow bee is being planned to assist Ronnie with his field work.

Mr. and Mrs. E. Waldruff and son, G.A. Waldruff and Mr. and Mrs. A. Waldruff and sons were visitors at the home of Mr. and Mrs. Bill Mewha at Markerville on Sunday.

Miss Marilian Luft was feted at a bridal shower at Zella school on Thursday evening, when Mrs. Bonnie Luft and Mrs. Wilfred Spooner were co-hostesses for the occasion. The school had been daintily decorated in bridal motif, with pink and white streamers forming a canopy. Seated under the canopy, Marion was assisted in the opening of her many and useful gifts by Miss Vera Befus and Mildred Luft; after which the bride-to-be was expressed her thanks to all.

Mrs. A. Oppen returned Tuesday, after holidaying at Camrose and for the past week at the home of her son and daughter-in-law, Mr.

### BERGEN NOTES

(From Our Own Correspondent)

The annual picnic was held at the school on June 30, with the children enjoying races and treats and the grown-ups a visit with their neighbors.

The teacher, Mrs. T. Halverson and her husband, have left on a well earned holiday.

The Girls' Club held a lovely mother and daughter banquet in the rumpus room of the L. Ratcliff home recently.

A number of local citizens took in the Sundre Stampede. The R.C.M.P. were much in evidence, investigating a break-in and robbery at the J. McLeod general store, which took place Friday evening.

Mrs. Ira Gamble of Didsbury accompanied by Mr. and Mrs. Bob Payne and Mr. Erling Erikson and Mr. and Mrs. Ross Ellis are expected home soon from a two-week motor trip to the U.S.A.

Mr. Albert Johnson is enjoying a holiday at the Pacific coast.

A former local boy was mentioned in an article in the Star Weekly by feature writer Harold Hillard, entitled "Akiavik Prepares To Move." The Post family left the district over 30 years ago. Lee returned and married a local girl, Miss Lorna Kjolness, later accepting a government position at the Arctic outpost of Akiavik.

Congratulations to Mr. Fritz Erickson and Mrs. Ruth Ladd, whose marriage takes place at the Bergen United Missionary parsonage on Monday, July 5.

### Didsbury Institute Holds June Meeting

The July meeting of the Didsbury W.I. was held the evening of June 29 at the home of Mrs. I. Klein with 18 members and two visitors present. Roll call was answered by telling where members would like to spend their summer holidays.

A quilt was finished for Miss Mary Richardson since the last meeting. The blocks which W.I. members have made for a quilt will be assembled this week and made ready for quilting.

Mrs. G. Bittner will go as delegate to "Farm Women's Week" in Olds from July 19 to 22.

The report on the Didsbury conference will be given at a later date. The "bit of fun" which created some amusement, was in charge of Mrs. Esler. The five-minute talk, read by Mrs. J. Reinhardt was entitled "Stock Up On Health This Summer."

The 10-cent draw amounted to \$2 and was won by Mrs. Insila. Mrs. Klein received a very nice gift from her "secret pal," her birthday being in July.

The August meeting will be held at the home of Mrs. J. McDonald. The meeting was brought to a close by singing "The Queen," after which a delicious lunch was served by Mrs. Wahl, Mrs. J. Reinhardt and Mrs. Micky Miller.

Canadian housewives spend between 5 and 6 per cent of their food budget for meat.

and Mrs. Andy Oppen of Edmonton. Mr. Alec. Ross celebrated his birthday with a gathering of his friends on June 20th and was able to blow out all 82 candles at once.
